5.0 ★★★★★

HappyHire were so helpful in helping us to celebrate our 15 years of service to the community. It was no mean feat erecting a 45 metre marquee! The customer service was superb and Jason and his team were always willing and able to accommodate our requests big or small. Our 250 guests were full of praise for the event and the atmosphere provided by HappyHire. We can't thank them enough for their part in making the night special. I would recommend to anyone looking to hold such an event.

GRAEME W.
